

PROJECT COMMISSIONER (ANZAC)

About the Position

Scouts SA is looking for a volunteer with management experience who wants to do more in their community, with good interpersonal skills and the ability to motivate and inspire others. The role of a Project Commissioner is rewarding and an opportunity to develop yourself.

You will have the opportunity to work with young people and adults, whose lives have been and can be changed by Scouting, and to inspire and help Scout Groups grow, develop and deliver even more exciting activities for members.

As a Project Commissioner you will be responsible for the appointment, support and leadership of a team to deliver and support ANZAC programs in South Australia. The main focus of ANZAC Activities are the Vigils held around the state by members, however moving forward this role is also looking to expand programs and resources and defence force connections with Scouting.

For more information including the duty statement for this role, or to have a private conversation about the role, please contact Chris Wise, ACC Youth Program at acc.youthprogram@sa.scouts.com.au
