

SPECIAL INTEREST AREAS

FOUR WHEEL DRIVING

Supporting skills development in four-wheel driving, including vehicle maintenance (inspecting, servicing), four-wheel driving (vehicle operation on unsealed roads, equipment requirements), route planning and navigation, and vehicle recovery.

✉ bc.4wd@sa.scouts.com.au

LAND YACHTING

Supporting skills development in Land Yachting, one of the greatest thrills on dry land. You can sail over a dry salt pan with all the fun and action of any water activity and still go home dry at the end of the day.

Experience the ultimate rush of bringing yachting to the land as you sail across the course powered by the wind.

✉ bc.landyachting@sa.scouts.com.au

TARGET SPORTS

Supporting skills development in Target Sports and Special Interest Area (SIA) options in Adventure and Sport (Competition).

Activities include Target Archery (Recurve Bows), S.A.F.E. Archery (Low Power Bows and 'Non-lethal' Arrows), Electronic Target Shooting (Laser Rifles, Pathway to Live Firing), Training (Skills Development, Range Safety, Firearms Safety), Coaching (High-Performance Sport - Archery Australia/Shooting Australia).

Scouts
SCOUTS AUSTRALIA
INSTITUTE OF TRAINING

Did you know that SAIT enables members of Scouts Australia who have completed learning through either the Youth Program or Adult Training & Development to gain nationally recognized qualifications for free?

Venturer Scouts, Rover Scouts, and adult members with the appropriate learning may enroll to be recognized with full or partial qualifications.

Outdoor Adventure Teams can support members in achieving Vocational Education and Training (VET) outcomes, including Outdoor Recreation and Outdoor Leadership qualifications.

RTO No. 5443

OUTDOOR ADVENTURE TEAMS

PADDLING

Supporting OAS skills development in Paddling and Aquatics. Paddling activities are available for Joeys to Rovers, with training provided for youth (15 years and older) and adults. This includes basic water rescues, kayak and canoe skills, navigation skills, and the safe planning and leading of activities.

✉ bc.paddling@sa.scouts.com.au

BOATING

Supporting OAS skills development in Boating, covering maintenance, navigating, weather interpretation, and safety.

A variety of activities are available, including Come and Try Days (available for Cubs and above) and training for internal Scout qualifications in sailing and powerboating."

✉ bc.boating@sa.scouts.com.au

SUB AQUA

Supporting OAS skills development in Aquatics, covering swimming, lifesaving, snorkeling, and SCUBA.

Activities encompass lifesaving (education and training), snorkeling (training, gear hire, and special activities), and SCUBA (training, gear hire, and special activities).

✉ bc.subaqua@sa.scouts.com.au

CAVING

Supporting OAS skills development in Vertical, covering caving, abseiling, and canyoning.

Activities of The Caving Team include Scout and Venturer-level caving trips, supporting in-hall activities for Joeys and Cubs, as well as conducting training for Leaders and Youth.

✉ bc.caving@sa.scouts.com.au

ROCK CLIMBING

Supporting OAS skills development in Vertical, covering abseiling and climbing.

Activities cover artificial and natural top rope and lead climbing, single and multi-pitch abseiling, and technical and practical training (internal scout qualifications).

✉ bc.rockclimbing@sa.scouts.com.au

Supporting OAS skills development in Bushwalking, Alpine (Cross-Country Skiing, Snowshoeing) and Navigation.

Activities include navigation training (Orienteering and Rogaining), development, and competition, as well as bushwalks in tracked terrain, difficult terrain, and untracked environments.

✉ bc.bushwalking@sa.scouts.com.au

BUSHWALKING

CYCLING

Supporting OAS skills development in Cycling, including Cycle Touring and Mountain Biking.

Activities consist of single-day cycling-touring adventures, multi-day bike hikes, maintenance skills events and social rides.

✉ bc.cycling@sa.scouts.com.au
