

Approved Signage for Scout Halls

In 2019, Scouts SA embarked on a program to achieve consistency in branding. Each Scout Hall was provided with new signage. To ensure that this consistency continues, please note the approved signage for Scout Halls below.

If you would like signage in a different design such as 'Hall for Hire', please send your proofs to marketing@sahq.scouts.com.au for approval.

To order additional approved signage, please see the attached order form that can be returned to marketing@sahq.scouts.com.au
