

TRAINING COURSE DATES 2025

You can find out everything you need to know about the training curriculum by talking to your Program Mentor or your Group Leader. All your On Demand Training is available at www.training.scouts.com.au and you can download a snapshot of the full curriculum [here](#). Registration for training courses can be done by going to your MyScout homepage and scrolling down to the calendar, simply click the course you'd like to attend and select Apply. Course information is sent to all participants 2–4 weeks prior.

What is the course about?

Child Safe Environments (YPL) - Certificate of Proficiency (Youth Support)

A requirement for all Youth Program Leaders and Rover Unit Leaders, Child Safe Environments (YPL) is a 3-hour workshop covering topics including risk and harm, abuse-related trauma, sexual abuse and online grooming.

Child Safe Environments (PSL) - Certificate of Proficiency (Program Support)

A requirement for all Program Support Leaders, Child Safe Environments (PSL) is a full day workshop that runs participants through child protection topics at a more in-depth level. After attending a Child Safe Environments course, Leaders will be able to understand the types of risk of harm to children and young people. More information about Child Safe training can be found on the [Department of Human Services website](#).

Scouting Essentials - Certificate of Proficiency (Youth Support & Program Support)

A requirement for all Leaders, Scouting Essentials covers all program essentials including Unit Councils, Program Planning, Guide to Special Interest Areas, Preparing a Scouts Own, Achievement Pathways, Activity Planning and more.

Scouting Adventure - Certificate of Proficiency (Youth Support)

A requirement for all Youth Program Leaders in Leader of Youth Appointments, Scouting Adventure is an entry level course to Outdoor Adventure Skills (OAS), where Leaders will develop a basic knowledge and understanding of the core OAS (i.e. Bushcraft, Bushwalking and Camping), primarily stages 1 to 3. This course will also give participants an introduction to the adventurous activity training that Outdoor Adventure Teams run throughout the year.

Scouting Management – Certificate of Proficiency (Program Support)

A requirement for all Program Support Leaders in Leader of Adult Appointments, Scouting Management covers topics such as adult empowerment, managerial communication and conflict resolution.

Scouting Leadership - Wood Badge Training

A requirement for all Leaders, Scouting Leadership is the final course of every Leaders training journey. This course builds on the skills and knowledge gained during proficiency training by exploring leadership skills and practices in both Scouting and life outside the movement.

Note: Training dates are subject to change, check MyScout for the most accurate information.
